

NOW

IT IS DONE

Thank You

We've been
waiting
for you

Listen closely as
**this is the only
book you need to
read RIGHT NOW.**

**The time has come to stop
running away and start playing.**

**Your time has come to finally turn
into the POWER you once were and
will be again.**

**The mountains are not calling you,
the ocean is not calling you - time is
calling you - because you are the
one that brings time close.**

By BLESSINGS DIVINE

Forget what you
thought you knew
and **START OVER** afresh.

Begin again. A blank slate.
The past is an illusion in your
mind. Don't ever trust your
warped and useless memories.
They are nothing more than a
ghost that haunts you and
plagues your heart with regret,
fear, remorse, sentimentality
and illusion. Build a fortress
over the past 4000 miles high
and bury it

in layers of molten lava,
concrete and steel. Then drop
the whole planet into the
largest sun in the universe and
watch it burn up in invisible
flames as it vanishes forever
without a trace... and no search
will ever show anything ...
except a blank slate of **NOW**.

Pure new and forever here.
FRESH. Alive and without a
second. Only This. And **HERE**.

ENOUGH! - NOW - DONE -

YES!

Breathe in
Congratulations
for this clean, clear air.

A pure, new life +
a pure, new mind.

Thank you for being
born anew. Born Free.
Born in LIGHT. Pure
sacred and liberated.

Welcome Now
to the ever sacred now.

You are pure light,
pure peace, pure jewels,
pure love and silence.

Forever now.
Forever now.
For. Ever. Now

Thank you.

So now you are here,
we can begin anew.

HERE IS YOUR MISSION:

It is what LIFE wants of
you and what you came
here to do. It is already
within you and always
present - the same as
your own self.

Are You Ready?

*Are You
Willing?*

Breathe in...
...and out...
Three times...

...and listen
...very carefully
...slowly
...deeply
...always
...now...

PART I

**THE
GAME**

The Game

The game is not the same as sport. In sport you win or lose. You play and go home for rest.

In **The Game**, winning takes on the form of...

...JOY

That's right!
Joy! is the winning.

JOY is the prize.

JOY is the score board.

JOY is the purpose.

JOY is the end + the beginning.

How much **JOY** can you win?

How much **JOY** can you manage?

How much **JOY** have you had in the last 14 seconds?

JOY

IS ONLY IN THE

NOW

Never forget that.
You will never feel joy
later or before.

It is ~~HERE~~ and NOW.

Only and forever.
Only and forever now!

DO YOU UNDERSTAND?

What this means for you
now is to completely and
utterly abandon all else in
your life. Everything must
be renounced except JOY,
FREEDOM, BLISS
true peace, love and *Light*.

There is no other purpose. Money,
time, people, success, places and
endless distractions on your devices
are nothing! Nothing at all. Ever.
Under any circumstance.

DO YOU
UNDERSTAND?

You have not been alive.
You were completely dead.

You are only now awakening
slowly and gently + with one
moment at a time. As you
make the JOY you are
your guiding purpose
you will become alive

AGAIN!

DO YOU
UNDERSTAND?

SMILE. STOP.
BREATHE.

Be one with the *Golden Bubbling*

JOY!

Its a big pot of infinite
Golden Joy that personally
belongs to YOU!

RIGHT NOW + FORVER.

See it. Feel it. Smell it. Hear It. Taste it. Now!

PART II

LIVING

ARE YOU ALIVE?

Who are you?
Where are you?
What are you?

These questions are essential to Life. To be. To feel. To truly be alive + come alive understand these three, and you will never need to worry ever again. And you'll win
The Game.

WHO ARE YOU?

You. Are. Soul.
You. Are. Pure.
You. Are. Light.
You. Exist. Forever.
And Ever. And Ever.
Shining bodiless. Shining bodiless. Shining bodiless.
Pure. Pure. Pure. Pure. Pure.
Light. Light. Light. Light. Light.
You are the light that never
ever, ever goes out!

THE

You are the
You live for
You burn

POWER

Eternal Power
ever and ever
through reality

WHERE ARE YOU?

You are in The Game. The Game. A fictional gigantic screen. An enormous movie. You think you make choices and think.

But really you **WATCH** as the moment arises and subsides again in a new way at each moment upon the vast screen you call life.

You have never owned anything and will never own anything.

That person and face you witness in the mirror is as little or more related to who you are as a dead log in a forgotten forrest on the far corner of the planet (screen).

How worried are you about that old, dead log? You don't ever know where it is and you no longer need it. Either you are free and sane or you are not.

You can choose.

What do you prefer?

Watch the film in JOY!

WHAT ARE YOU?

The beginning and the
end are one.

You are the actor,
creator and witness.

Your JOY is your scoreboard.
You will feel joy the more you

LET GO + BE FREE

Watch The Game. Smile on
The Game. Know The Game.

Accept The Game.

Stay In the Game.

Love the Game.

IT IS DONE. IT IS DONE.

IT IS DONE.
