

A sunset over a body of water, with the sun low on the horizon, creating a bright orange and yellow glow that reflects on the water's surface. The sky transitions from a deep blue at the top to a lighter blue near the horizon. The text is centered and reads:

THE
MISSION
FROM
GOD

First of all, Remember
WHO YOU ARE
and where you come from.

1. You are an eternal,
indestructible, endless being.
2. You incarnated into that
form from your home, the
land of peace, the land of
NIRVANA.

**You came in peace and will
again return.**

This World is a Stage.

**You are
an actor.**

**Everything you do,
think and speak is
part of your act.**

**You are
acting
right now.**

**You can't stop acting
for even a moment.**

Until you realize...

1. Who you are
2. Life is an act

You will remain lost and
confused about your
mission in life.

Remember over and over...

1. I am an eternal
spiritual being
2. I am an actor
3. I have come here to
act on this stage

PART

II

Now you know (at least theoretically) you are an eternal actor, it's time to re-receive your mission.

WHAT IS YOUR MISSION?

What is your purpose?

For what reason are you here on Earth?

What is the meaning of your existence?

Why are you here?

What are you here to create?

Let it

settle in...

THE TWO

Inner Face

The inner face is how you feel,
what you think, how you
perceive the world.

It's your attitude, your love,
your inner vibrations, your joy,
peace, bliss and love for God
and all beings.

The inner face is the
foundation. Your Holy Grail.

The Real Secret.

FACES

Outer Face

The outer face is how you look,
what you wear, how you hold
your body.

It's what you say, what you do,
how others perceive you and
the way in which you relate to
the world.

The outer face can be seen.
What you own, what you have,
what you do or don't do. The
outer face can deceive. The aim
is to make the outer and inner
faces divine.

Inside and Out

Who are you really?
What is your real mission?
How can you live a divine life?
What is a divine, noble life?

As you aim to change your
inner and outer lives, you come
back home to peace.

Start with Both
They effect each other.

The details may change one
day to the next, one soul to the
next, one time to the next - but
the essence is always the
same...

**This is
your
Mission
from God.**

LOVE

Love God, know God and become merged in God's love, peace, joy and grace always.

The more your #1 mission in life is to breathe in God's light, love and peace, the more capable you are to live your purpose and do God's Divine work in the world.

All success and meaning rests in this.

SERVICE

All souls BELONG to you.

We are all family. As you remain merged in Divine love, you can shine, reflect and radiate that love and smiles to your great family.

Service from the heart comes from the overflow of Divine love. Give from God, not from your stock. You need to be full and give truly and freely.

The more you have, the more you can give others.

THE STOCK

You have a spiritual battery and
a spiritual bank account.

The more you remain full,
through connecting to God, the
more you can give to others.
The charge the soul and fill the
bank, connect your mind and
heart to God. The Spiritual Sun.

Give thanks and praise.

Feel the Joy. Smile + absorb.
(Do it now).

THE SHIFT

The mission is to shift away
from 'I'. 'I' am doing this. It's
'my' idea, my projects, my work,
my mission... to 'Yours'.

"It's God's work, God's mission,
God's service. God's body, God's
projects, God's money. God's
inspiration."

The shift is from 'I' 'me'
'mine' (ego) to You, Yours,
Thank you (Divine inspiration).

GOD'S TOUCHING

Whilst sitting in meditation you can receive very good *touchings*, but how can you tell whether those *touchings* are from God or not?

- 1) God's *touchings* are always *powerful* and you will experience this power to be more powerful than your own power.
- 2) There will be the experience of easy success in Gods's *touchings*.

- 3) There will never be *questions* of "Why?" or "What?" about God's *touchings*. Everything will be very clear. So, from these things, you can understand that that is a *touching* from God.

Take the time to stop.

Do less. Listen. Receive the power. Is this the Highest Good for all?

What does God want me to do today? How can I serve?

CONTENTMENT

Real service means:

1. You will be content with your life, your time, energy and actions.
2. Other souls will be content with you. Are you receiving blessings and thanks?
3. God is content with you. Would God act out your life in that way? Is your life an expression of truth and love?

HOW TO APPLY THIS?

Knowing leads to doing.

Knowledge is the source of income. Knowledge is power.

**Applying this is THE
MISSION FROM GOD.**

To apply these things is the purpose of life. Become an embodiment of love, light and peace. A sun of peace. A light of hope in the world.
